MARIO MARTINEZ

GRAPHIC DESIGNER

Motivated designer with experience in illustration, layout design, and motion graphics, looking for a graphic design position and seeking to implement design thinking strategies and planning to develop extensive design solutions. Focused on creating impactful and useful visuals that help a narrative and communicate ideas. Aiming for growth through strategic collaboration.

EXPERIENCE:

FREELANCE GRAPHIC DESIGNER

Jan. 2025 - Present

- Designed business cards, flyers, and logos for different clients.
- Ensured consistency in branding with all materials through the specification of clients.

SAMEDAY EMBROIDERY

Embroidery Machine Operator & Graphic Designer

Nov. 2024 - Nov. 2025

- Prepared materials such as embroidery hoops, threads, garments, and designs for production, while monitoring the output quality of embroidery through attention to detail.
- Designed illustrations, digital advertising posters, and a short motion graphic and animation for promotional use.

BLUE RIBBON INK & THREAD

Heat Press Operator - Part-Time

July 2022 - Jan. 2023

- Operated heat-press equipment to apply graphics on apparel while maintaining accuracy and quality.
- Fast-paced production that required work efficiency, time management, attention to detail, and communication.
